

# COUNSELOR BIO

**HAILEY  
JUÉN**

I came to know Jesus as my personal savior through New Life Ranch. I started coming as a camper when I was 10 and gave my life to Christ here when I was 12 years old. I knew who Jesus was when I was a kid but I didn't have an intimate relationship with him until I started coming to New Life as a camper. I learned what it meant to be a Christ driven follower of God and what it looked like to have a real relationship with the Lord. I grow closer and closer to him every summer I spend here. I am working at New Life Ranch this summer in hopes that I can shine God's love to these kids just like my counselors did for me. I want to be able to be a vessel of God's light and joy for these kids everyday. I also want to continue to learn new things about my faith and strengthen my relationship with the Lord even more.
