

# COUNSELOR BIO

**OLIVIA  
PARSONS**

I grew up in a Christian family and went to church every Sunday, but my faith didn't become my own until I was 12. I realized how important it was to have a personal relationship with Christ. New Life played such a huge role in that, and it was here that I made my profession of faith through baptism. I have been so blessed to have godly parents, pastors, and friends that have encouraged me and helped show me how to pursue the Lord wholeheartedly.

New Life Ranch has always been a second home to me, and I truly cannot image a summer without camp. It played such a huge role in my salvation, and I have seen so many lives changed as a result of the ministry of New Life. I am here to parter with New Life in their mission to proclaim the Gospel of Jesus Christ and to equip believers for ministry, and I could not be more excited for this opportunity!
