

# COUNSELOR BIO

**ROSE  
PRIEBE**

**I came to know Jesus as my savior freshman year in college, experiencing that my problems and relationships back at home were not going to magically change. I experienced disappointment and confusion until I learned that God wanted me to put my value in him and not in temporary things. By seeking popularity and attention I was always left unfulfilled, when I stopped seeking a certain status that was never achievable and turned to God for his glory!**
