

# COUNSELOR BIO

**ALLISON  
HAVERDINK**

I grew up in a christian home with parents who always modeled Christ's love to me and my siblings. When I was in 2nd grade, I heard that there was a God who loved me, died for me, and wanted a relationship for me. That's when I realized that I needed God and accepted Christ into my heart! Since then I spend time in God's word, at church, learning from mentors, and serving at camp to deepen my relationship with Christ and make my faith my own.

New Life Ranch has had a huge impact on my life as a camper, going through leadership development and working on staff last year. I love camp and kids so serving at NLR is an easy decision. I want my campers to have a great time at camp but also learn more about the Lord, His love for them, and take what they learn home. I'm so excited to see how the Lord will work this summer!
