

COUNSELOR BIO

**ANDI
CAPEL**

I came to know Jesus as my personal savior when I realized that his purpose in the world is to give hope, everlasting love and happiness. Jesus has filled holes in my life that I never thought could ever be filled. He blessed me with a community of love, encouragement, inclusiveness, acceptance, and growth in faith. He taught me that my love for others is the overflow of my love for God. I am working at New Life Ranch this summer to be a spiritual guide to children and someone whom they can trust and open up. On top of that, I am also here to have so much fun with them and explore their interests!
