**CALLIE  
DONLEY**

The Lord blessed me with a Christ-centered home to grow up in and I committed my life to Christ at a young age. at the time I knew I was a sinner and Jesus had died for me, but I hadn't fully grasped what following Christ truly meant. The Lord has been teaching me ever since that day, not only how to follow him but of the depth of his never-ending, amazing grace. New Life Ranch runs in my blood. My first experience at New Life was family camp 2001, and I've been back almost every summer since. I can't get enough of the awesome things the Lord is doing at New Life. I'm so pumped to be a part of summer staff this year, and I can't wait to see what the Lord has in store!
