

COUNSELOR BIO

**DEZI
TARTAGLIA**

I always knew who God was but I never really understood the importance of Him. Around age thirteen, I fell away from the Lord. As time passed, I started to understand that I offended the only Holy and just God. I finally understood the gravity of my sin and it hurt so I started to think more about my sin and salvation. It was at this time I realized that Jesus was real and I turned from my sin and trusted in him. I believe that Jesus died to save me from my sins and rose from the grave, conquering death, and that anyone who trusts in him and turns from their sins can be accepted by God and forgiven of their sins.

I have gone to New Life Ranch my whole life and it has had a big impact on me. I want to be able to impact kids just like I was. I want to help them grow spiritually and as a person. I also want to strengthen my relationship with the Lord.
