**IZZY

I grew up in a Christian household and accepted Jesus at a young age without really understanding the meaning behind it. It wasn't until I started going to New Life Ranch that I learned what it truly means to be a Christian. I've been coming to New Life Ranch every year since I was in 7th grade and every year I go the more excited I get about the next. It's been a life changing experience for me and I'm so excited to be on staff this summer.
